

Instructions:

This pattern will work best with fusible web appliqué. Add seam allowances (and reverse) for regular appliqué. No allowances for fusible appliqué. Cut 1 each of piece and loosely assemble pieces before appliqué. Place pieces in alphabetical order: A,B,C... etc. Grey dotted lines indicate pieces that go on top.

Important tip: If the pattern is complex, cut out the paper pieces and tape them together using the grey dotted lines as guides. Lay this full-size paper template on the background fabric and trace lightly around the exterior with a pencil or washable fabric marker. Loosely assemble pieces so they fit inside the marking for more accuracy.

Colors: Dark and light green, Brown and tan.
