

**Instructions:**

This pattern will work best with fusible web appliqué. Add seam allowances for regular appliqué, no allowances for fusible appliqué. Cut 1 of each piece. Loosely assemble pieces before appliqué. Grey dotted lines indicate pieces that go on top. Place pieces in order alphabetically (A, B, C, etc). Embroider eyes, nose, mouth.

**Important tip:** If the pattern is complex, cut out the paper pieces and tape them together using the grey dotted lines as guides. Lay this full-size paper template face down on the background fabric and trace lightly around the exterior with a pencil or washable fabric marker. Loosely assemble pieces so they fit inside the marking for more accuracy.

**Materials:** 100% cotton recommended.

- A, E, F = Tan
- B, C & J = Gold
- D = Pale Gold
- G = Light Brown
- H & I = Medium Brown

Finished product using fusible web appliqué
