Finished product using fusible web appliqué

Materials:

100% cotton recommended.
 A & B = Cream, C = Light Cream
 C = Light Grey, Roses = Cream satin (or satin lookalike), OR ribbon, or tulle (optional for 3-d roses).

Instructions:

This pattern will work best with fusible web appliqué. Add seam allowances for regular appliqué, no allowances for fusible appliqué. Cut 1 of each piece. Loosely assemble pieces before appliqué. Grey dotted lines indicate pieces that go on top. Place pieces in order alphabetically (A, B, C, etc). Use fabric or large ribbon to create 3-d roses (optional).

Important tip: To help in placement of pieces, cut out the paper pieces and tape them together using the grey dotted lines as guides. Lay this full-size paper template face down on the background fabric and trace lightly around the exterior with a pencil or washable fabric marker. Loosely assemble pieces so they fit inside the marking for more accuracy. If you find a piece too small to appliqué, embroider it instead.
