

Instructions:

This pattern will work best with fusible web appliqué. Add seam allowances for regular appliqué, no allowances for fusible appliqué. Cut 1 of each piece. Loosely assemble pieces before appliqué. Grey dotted lines indicate pieces that go on top. Place pieces in order alphabetically (A, B, C...Z, aa, bb, cc).

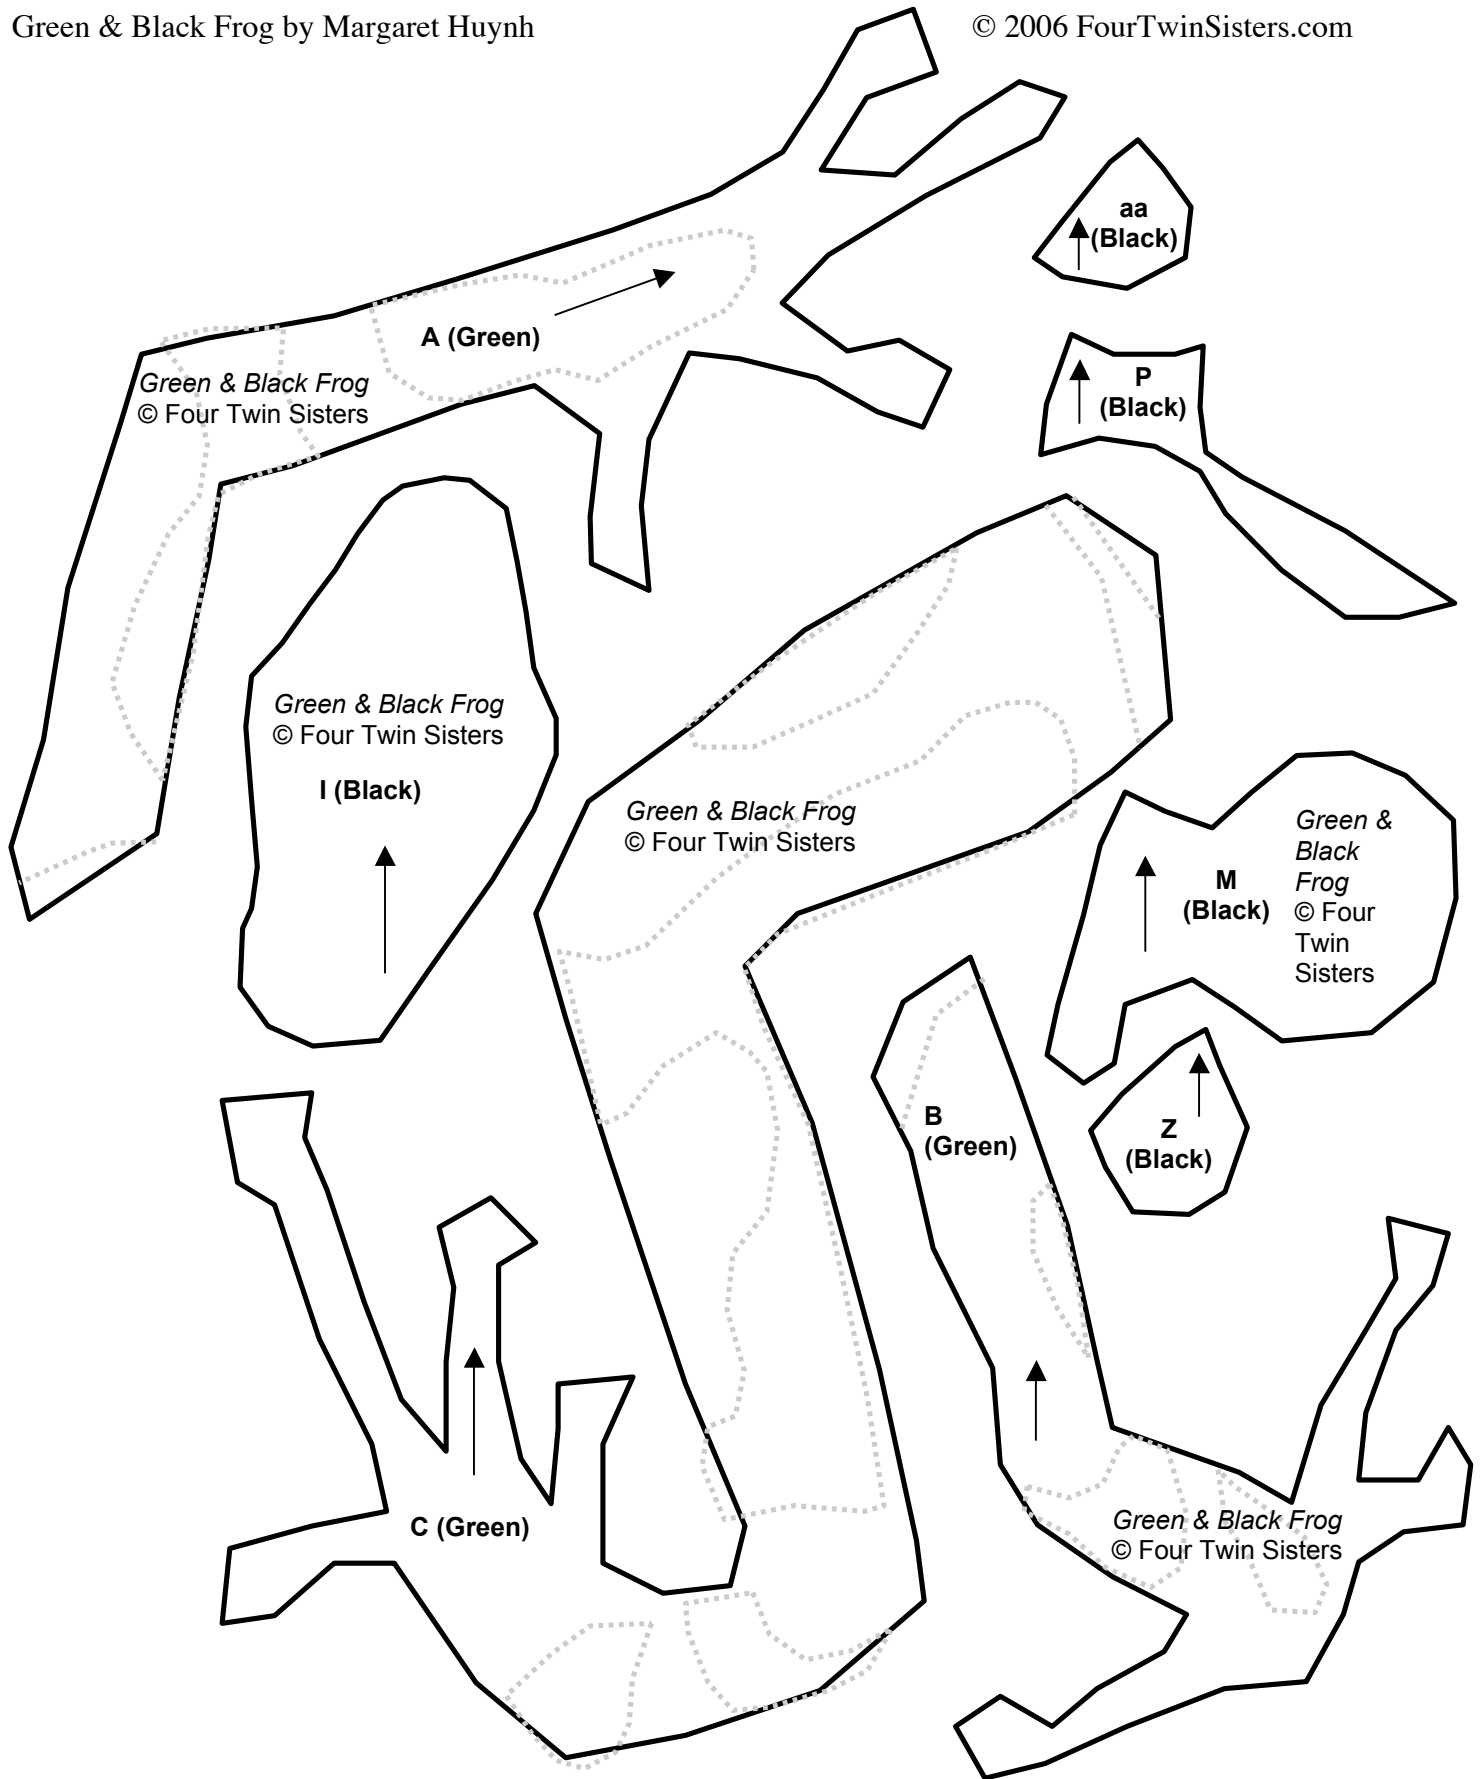

Important tip: If the pattern is complex, cut out the paper pieces and tape them together using the grey dotted lines as guides. Lay this full-size paper template face down on the background fabric and trace lightly around the exterior with a pencil or washable fabric marker. Loosely assemble pieces so they fit inside the marking for more accuracy.

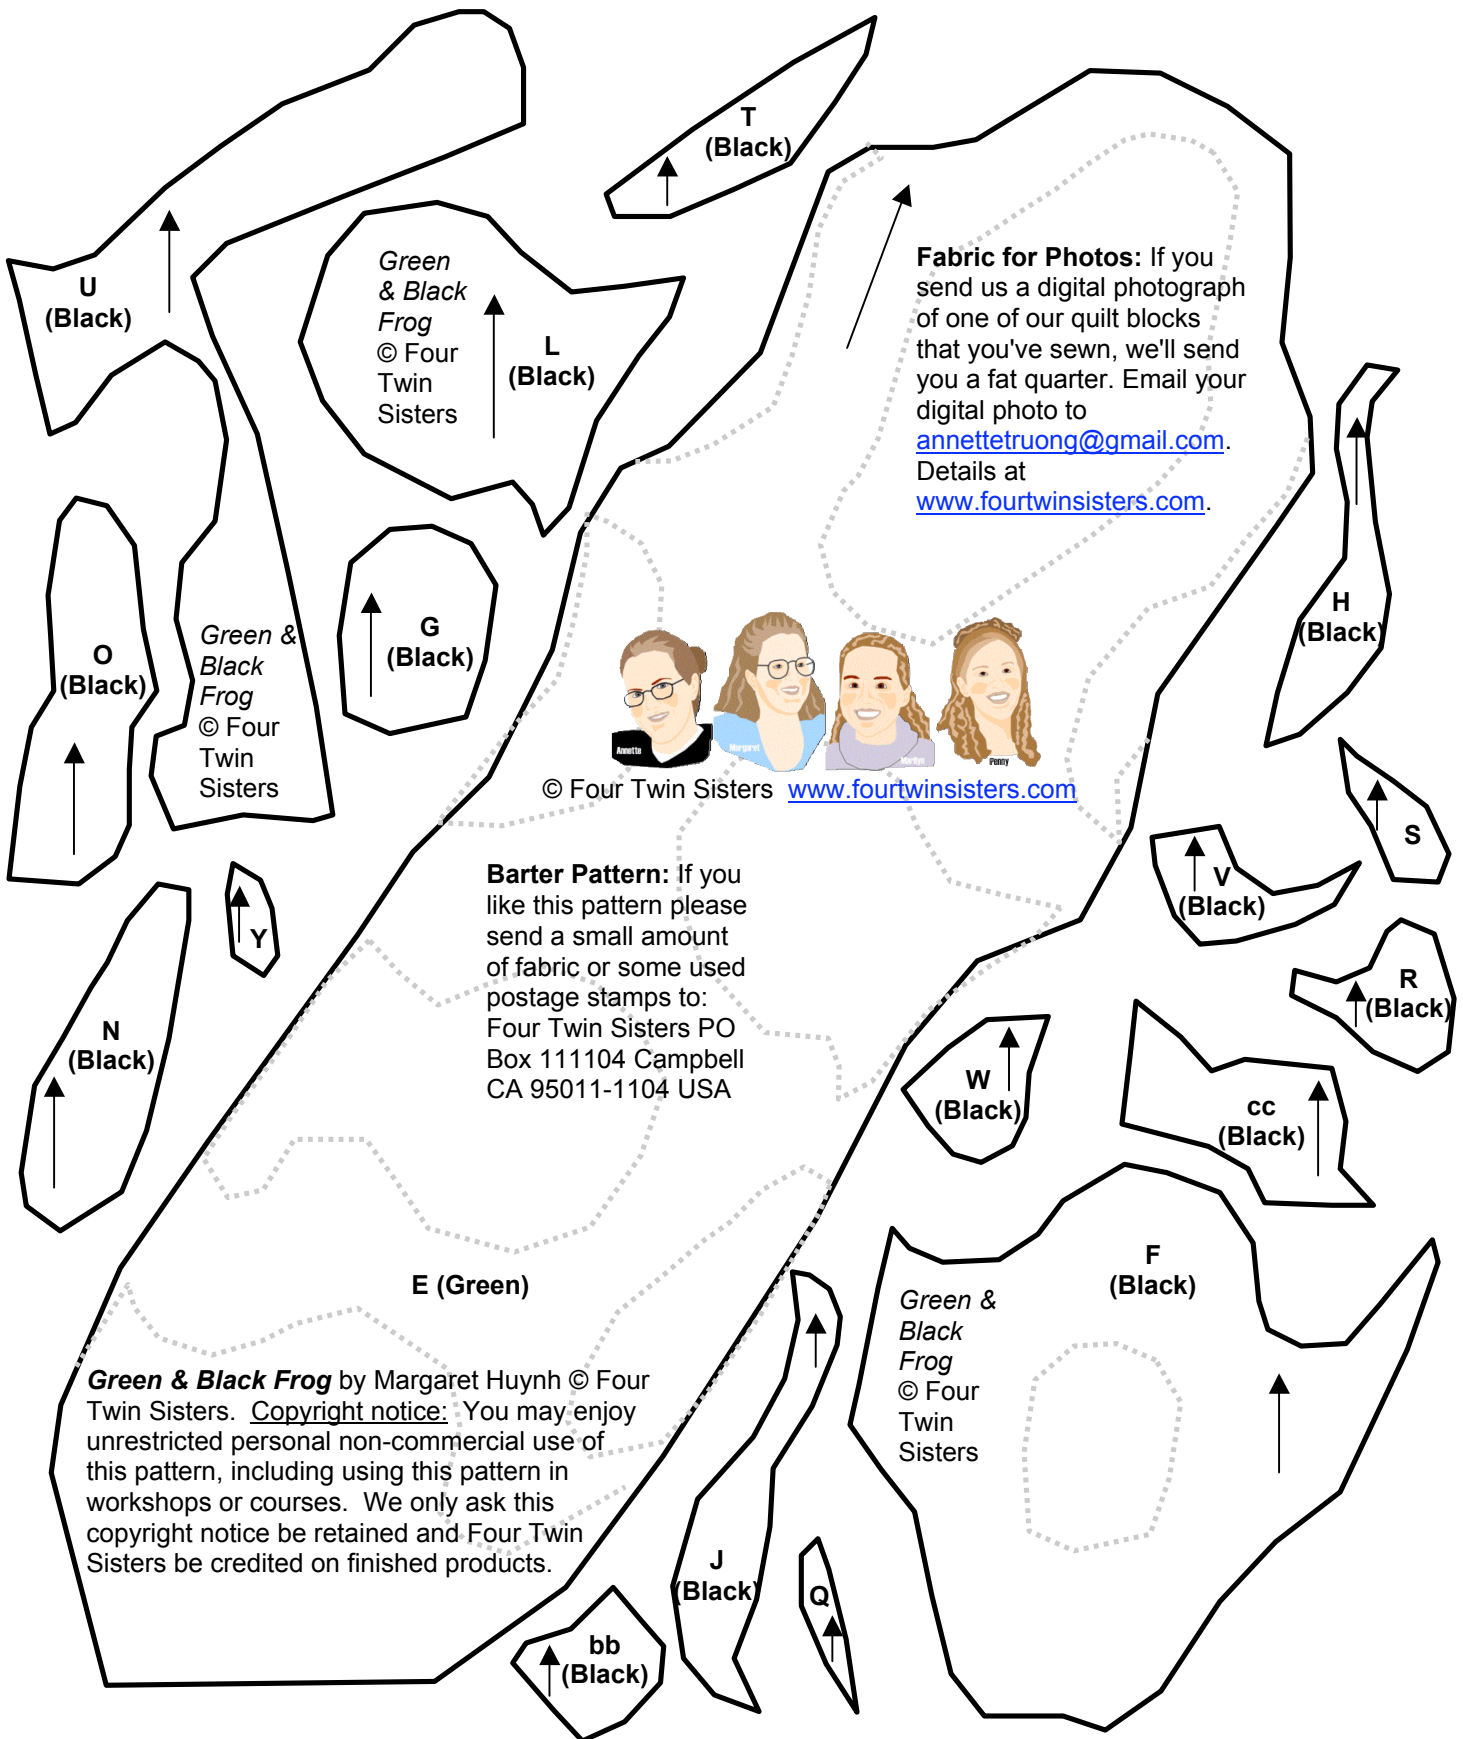

Materials: 100% cotton recommended.

A, B, C, D, E & G = Green
F, H - cc = Black

Finished product using fusible web appliqué
