

Instructions:
 This pattern will work best with fusible web appliqué. Add seam allowances for regular appliqué, no allowances for fusible appliqué. Cut 1 of each piece. Loosely assemble pieces before appliqué. Grey dotted lines indicate pieces that go on top. Place pieces in order alphabetically (A, B, C, etc). Embroider or ink small details. Reverse appliqué: put a piece of fabric behind. Cut out the shape so the back fabric shows through. Colored buttons may be used for gumballs.

Important tip:
 To help in placement of pieces, cut out the paper pieces and tape them together using the grey dotted lines as guides. Lay this full-size paper template face down on the background fabric and trace lightly around the exterior with a pencil or washable fabric marker. Loosely assemble pieces so they fit inside the marking for more accuracy.
